

SOFITEL NEW YORK CELEBRATES
FÊTE DE LA MUSIQUE
MONDAY, JUNE 21ST
5pm to 10pm

The Music Celebration, fête de la musique, was born in France in 1982, and has since taken place every 21st of June, the first day of summer in the northern hemisphere. It soon traveled abroad and has become a unifying international highlight. So it was natural for Sofitel - a French name on the international hotel scene - to take part in this major cultural milestone around the world.

Make Music New York is a live, musical celebration across the city that takes place each 21st of June, the longest day of the year.
